DETAILED ACTION

Allowable Subject Matter

Claims 1, 5, and 9-20 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: the prior art does not disclose or suggest an optical amplifying and relaying system comprising all the specific elements with the specific combination including amplifiers each provided on each of the optical transmission lines, and monitoring light signal folding-back lines connected between the two optical transmission lines, wherein variable optical attenuators each provided between each optical coupler and the associated wavelength selective reflecting means as set forth in claims.
